10. **Meetings of the Committee:** The State Level Committee may meet monthly or as per requirement.

11. Procedure:

11.1 Industrial units in Pharmaceutical Sector satisfying the eligibility shall file application in the prescribed form appended to this operational guideline at **Annexure -A-1** along with copies of all relevant documents as mentioned in the Checklist at **Annexure -A-2** and Undertaking prescribed at **Annexure A-2.1** as per the following category;

New Small & Medium Enterprises in Pharmaceutical Sector shall file application in triplicate with General Manager, RIC / DIC and Large Industrial Units with Managing Director, IPICOL.

Copies of the documents as indicated in the checklist shall be self - certified by Proprietor / Managing Partner / Managing Director / Authorized Signatory.

11.2 On receipt of application, the acknowledgement as prescribed at **Annexure- A (3)** shall be dispatched to the applicant / applicant unit duly signed by the authorized officer / General Manager, RIC / DIC/ IPICOL on the day of receipt. General Manager, RIC /DIC and CMD, IPICOL may authorize any of his officers for the purpose.

11.3 The RIC/ DIC/IPICOL will check the eligibility and determine the applicability of Pharmaceutical Policy 2016 in each case within a **week**. All the documents submitted by the units shall be verified with the original by an officer of the RIC/ DIC not below the rank of Asst. Manager & not below the rank of Joint Manager in IPICOL who will record his verification on the body of the copy of the document.

11.4 The RIC/DIC, in case of Small & Medium Enterprises & IPICOL jointly with DI shall examine the eligibility and veracity of facts concerning the claim, visit the unit and assess the total investment as per format at **Annexure-A (4)**. The modality for assessment of investment / plant & machinery is prescribed below.

11.5 The RIC/ DIC / IPICOL on receipt of application will scrutinize the same and send a detail report to Director of Industries, Odisha with a detail note on fulfilment of eligibility criteria, time limit, applicability of Pharmaceutical Policy 2016, eligible amount of subsidy vis-à-vis investment in Plant & Machinery, decrease/ increase in recommended CIS amount with justification, working status, specific suggestion, if any, for consideration. A model agenda Note prescribed at **Annexure-A-5** may be referred to for the purpose.

12. Assessment of Investment: Investment means investment in land, building, plant, machinery and balancing equipment. Further, balancing equipment generally means equipment required for de-bottlenecking the production process.

12.1.1 Land & Building: The land / land & building / building / shed shall be in the name of industrial unit / Company represented through its proprietor / partner(s) / Director (s) / shareholder (s) / Member (s). If ROR of the land is in joint possession and no clear-cut title deed is established in the name of the promoter, the said land should have been leased out in favour of the industrial unit. If the land / land & building / building/ shed is ancestral or its title is represented by sale deed or other title deeds which are old, the market value (for the year of

starting fixed capital investment) as assessed by Tahasildar under the appropriate rules of the Revenue & Disaster Management Department will be taken in to account. In other cases, the value of the land / land & building / building / shed as embodied in the sale deed (or) proportionately to the extent of need will be the cost for the purpose of assessment. The value of land / land & building / building / shed shall not be considered for the purpose of assessment on the following contingencies, if,

- It is held on registered lease from authorities **other than** government or IDCO and the lease period is less than 30 years,
- Rented or licensed and / or hired land / land & building / building / shed.

In no case the cost / premium paid towards conversion of land for industrial use shall be taken into account for the purpose of assessment.

12.1.2 Building constructed - For valuation of building constructed over the acquired land, the year of construction, the type of construction and the specification of the building, and the valuation certified by Chartered Civil Engineer for different type of construction will be taken into consideration.

12.1.3 The valuation of civil construction like factory building, godown, stores, office, R&D lab, testing lab, overhead tank, compound wall, gate, barbed wire fencing, well and civil works for the purpose of pollution control, energy conservation, installation of non-conventional energy equipment, power generation, transformer, gas plant, water treatment plant, rain water harvesting & charging etc shall be made as per the pro-forma prescribed at **Annexure-B (1)**. If the land is leasehold through a registered deed for a period of more than 30 years, the value of building constructed over the said land to the extent of industrial use will be considered for assessment for the purpose of CIS. In case of IDCO shed, value of shed will be taken into account.

12.2 Plant & Machinery- The value of plant & machinery as erected at factory site shall be taken into account including the cost of productive equipment such as tools, jigs, dies, mould etc. Amount spent towards insurance premium and tax for procurement of such assets will also be taken into account. In case of imported machinery, import duty, shipping charges, custom clearance charges, VAT paid thereon will also be taken into consideration.

12.3 Balancing equipment- The investment made on the following items will be taken into account for assessment, namely;

- a) Generator set not less than 10 K.W., transformer and Captive power plant (certified by DISTCOMs / Electrical Inspector (T&D))
- b) Gas producing plant
- c) Water and waste Water treatment plant
- d) Pollution Control equipment (certified by State Pollution Control Board, Odisha)
- e) R & D equipment, Quality control & Lab equipment
- f) Energy conservation equipment (certified by GRIDCO / DISTCOMs / Electrical Inspector (T&D / approved consultant)
- g) Non-conventional Energy equipment
- h) Fire Fighting equipment / sensors for safety measures
- i) Storage tanks / Bins for storing of raw material / finished goods
- j) Empty Gas cylinders for re-use

12.4 Electrification & Installation-

12.4.1- The cost involved in electrification, wiring, installation of cables, bus bar, electrical panels (not mounted on individual machines), circuit breakers etc. which are necessarily to be used for providing electrical power for industrial use will be taken into account.

12.4.2- The cost involved in installation & erection of plant & machinery and balancing equipment etc. will be taken into account for assessment.

12.5- The detailed valuation of plant & machinery and balancing equipment, electrification & installation etc. shall be made in the proforma prescribed at **Annexure-B (2)**.

12.6- The valuation of fixed assets shall be supported with a **certificate** that the assets acquired by the industrial unit are **new**, the cost has been duly paid for, the assets are required in process of operation and are found to be in use / working in the premises of industrial unit.

12.7- The Subsidy is not admissible on land & building. The period of Lease / Rent shall be for a period not less than 30 years starting from the date of first fixed capital investment through duly registered deed (s) so as to avail subsidy on Plant & Machinery.

12.8- Valuation of second-hand Plant & machinery and balancing equipment-

The valuation shall be made on the basis of original price less depreciation as per **Annexure- B-3** and provided further that the original and subsequent owners have not received subsidy from any sources at any stage of purchase, use, transfer or sale and the effective life should not have been expired. The Proprietor/ Managing Partner/ Managing Director/ Authorized signatory claiming subsidy, shall submit documentary evidence to the full satisfaction of SLC and affidavit in this regard duly sworn before an Executive Magistrate.

13. SANCTION, CONFIRMATION & RATIFICATION THEREON:

13.1 Considering the merit of each case, the SLC shall accord sanction of subsidy on Plant & Machinery by the industrial unit.

13.2 After sanction of Subsidy on Plant & Machinery by the S L C, the Directorate of Industries, Odisha will communicate the details of sanction in the format prescribed at **Annexure-C-(1)** to the concerned industrial unit within **7 days** of issue of the Proceedings.

13.3 The industrial unit on receipt of sanction letter shall be required to execute Agreement with DIC/ RIC/ DI/ IPICOL as per **Annexure -C (2)** within next **3 days**.

13.4 In case of rejection by the S L C, the same will be communicated by DI to DIC/ RIC/ IPICOL & to the concerned enterprises in the format prescribed at **Annexure-C-(3)**.

13.5 DI, Odisha to ensure that the sanction for reimbursement of the subsidy should not take more than 30 days from the date of application by the industrial unit.

14. DISBURSEMENT OF SUBSIDY ON PLANT & MACHINERY

14.1 Director of Industries, Odisha shall disburse the subsidy on Plant & Machinery to Small & Medium Enterprise & Large Industrial Unit through the Financing Agency from which the unit has availed term loan/ financial assistance. In case of self-financed units the subsidy amount can be disbursed directly to the bank account unit.

14.2 Disbursement will be made on availability of funds through budgetary provision as per the modality to be decided, if necessary, by the Director of Industries, Odisha.

15. Funds & Audit:

15.1 Funds: The Directorate of Industries, Odisha in consultation with DICs/ RICs/IPICOL will estimate the requirement of funds and furnish the requirement to the Industries/ MSME Department for budget provision every year. The State Govt. in Industries/ MSME Department will provide funds to Directorate of Industries, Odisha, who shall be the Disbursing Agency. The Disbursing Agency will maintain regular accounts for each case & shall be accountable to the Audit and the State Govt. Directorate of Industries will furnish the utilization certificate in format as prescribed by Finance Department along with the list of beneficiaries disbursed with assistance at the end of each financial year.

15.2 Audit: The accounts maintained by the DI, Odisha shall be audited by the AG, Odisha.

16. Maintenance of Records: The receipt / forwarding / sanction / rejection / disbursement of subsidy on Plant & Machinery shall be monitored both electronically & manually at DIC /RIC/IPICOL/Directorate of Industries level.

17. Recovery of Subsidy on Plant & Machinery: In the following events or circumstances, Subsidy on Plant & Machinery received by an Industrial unit shall be recoverable from it under the provision of OPDR Act as arrears of land revenue, unless refunded within a period of one month from the date of an order issued to this effect by the GM, RIC/ DIC / Director of Industries, Odisha.

(i) Where an industrial unit in the opinion of the State Level Committee has availed of the Subsidy on Plant & Machinery by misrepresentation, fraud or by furnishing false & misleading information or by suppressing facts / materials or disbursed in excess of the amount actually admissible for whatsoever reason.

(ii) Where the Subsidy on Plant & Machinery amount becomes recoverable in terms of the stipulation contained in the Agreement- **Annexure – C (2)** or the beneficiary units violate any other condition of the Rules & Guidelines and Agreement.

18. Miscellaneous:

18.1 DIC / RIC/IPICOL/ DI may inspect the industrial unit individually / jointly if required.

18.2 Administration of CIS in the contingencies like shifting of industrial unit within the State, change of ownership etc. within the period of this incentive shall be governed as per the terms & conditions stipulated in the Agreement.

18.3 Industrial Unit shall furnish its audited financial statements and other periodical statements of each financial year to the DIC/ RIC/ IPICOL during the period of incentives.

18.4 Any change in facts or circumstances affecting the eligibility of the unit shall be intimated immediately to the DIC /RIC/ IPICOL/Directorate of Industries, Odisha by the unit.

19. Where any doubt arises regarding implementation of these rules, the same shall be referred to Government of Odisha in the Industries Department whose decision shall be final and binding on all the parties.
20. This has been concurred in by Finance Department vide their UOR No. 02/ES-II dt. 07.01.2017
