

**OPERATIONAL GUIDELINES  
ON ASSISTANCE FOR TECHNICAL KNOW-HOW  
(See Para- 5.4.10 of IPR 2015)**

The technology, higher skill and high productivity are the basic need for rapid economic growth with effective and efficient utilization of resources. The State intervention in this regard is primarily promotional with catalytic inputs to acquire front line knowledge based technology to enhance our status among others.

In view of the above, State Govt. extends financial assistance for purchase of technical know-how so as to promote technology based enterprises in the State.

**1. Short Title:** - Operational guidelines for providing assistance for Technical know-how under Industrial Policy Resolution, 2015.

**2. Extent:** - It shall extend to the whole of the State of Odisha.

**3. Commencement:** - It shall come into force from the "Effective Date" of Industrial Policy Resolution 2015 i.e. 24.08.2015.

**4. Terms and Expressions:** -Terms and expressions used in this operational guideline, but not specifically defined / explained here, shall have the same meaning as in Industrial Policy Resolution 2015.

**5. Definition / Explanation:-**

**(i) Know-how** - Know-how is not defined in any Indian legislation but the definition which we can draw is, it is a kind of knowledge of a particular technology or subject, or it means to be acquainted with or be familiar with certain kind of technology and service, or the knowledge / experience / expertise / savvy, regarding particular technology and service or matter. This definition is general in nature.

Know-how covers detailed fabrication drawings, technical and operation manuals, assembly and testing procedures and application software as applicable.

**(ii) T.D.B.** – Technology Development Board (under Science & Technology Department, Government of India)

The Technology Development Board (under the Technology Development Board Act, 1995) is the first organization of its kind (within a government framework) with the sole objective of commercializing the fruit of indigenous research.

**(iii) CSIR** – Council of Scientific & Industrial Research

**(iv) Import of Know-How** - Any proprietary series of practical, non patented knowledge and owners experience or tests which is secret, substantial and identified in nature, when brought into India from outside India.

**(v) Indigenous know-how-** Technical know-how imparted by any Government Agencies / any other organizations approved by the State Govt. or Union Govt. in the country shall be treated as indigenous.
