

Minutes of the 86th State Level Single Window Clearance Authority (SLSWCA) meeting held on 26/09/2019 at 3.30 PM in the 2nd floor Conference hall of Lok Seva Bhawan.

The meeting was chaired by the Chief Secretary, Odisha. The list of members present is annexed.

Chairman, IPICOL, welcomed the chairperson and other participants and proceeded with the agenda.

Agenda Item No.1: Confirmation of the minutes of 85th SLSWCA meeting held on 06/08/2019.

Minutes of the 85th SLSWCA meeting held on 06/08/2019 were confirmed.

Agenda Item No.2: Action taken report on the 85th SLSWCA meeting.

SLSWCA noted the action taken on various items.

(a) Further, it was decided that report submitted by DoWR on water allocated vis-a vis its utilisation to large industries, shall be taken up for discussion in a separate meeting between officials from DoWR and Industry Dept. and the findings to be put up for discussion in the next SLSWCA.

(b) MD, IPICOL shall arrange training programmes for DIC officials for capacity enhancement at the DIC level, to assess infrastructural requirements for projects. Information regarding business reforms undertaken by various other departments shall also be disseminated during these trainings.

(c) As regards approved cases pending for allotment of land, CMD IDCO was advised to dispose the same expeditiously and furnish a report for the information of SLSWCA.

Agenda Item No.3: GO SWIFT Update

The status report on the usage of GO SWIFT portal by various departments was presented. All departments were advised to expedite the disposal of applications pending with them beyond the stipulated timelines.

IPICOL shall submit a report in the next meeting on status of projects approved by SLSWCA where the project proponent has taken land from IDCO and not taken any initiative to ground the project post-land allotment.

Agenda Item No.4:

Proposal of M/s Ion Exchange (India) Ltd to set up a manufacturing plant for anion and cation resins of capacity 72,000 m3 per annum at Paradip, Dist- Jagatsinghpur with a total investment of Rs. 166.00 Crores.

After detailed discussion, SLSWCA in principle approved the proposal of the company, subject to the following terms and conditions:

1. The company will clear arrear dues if any, of any Government Department before allotment of land for the project.
2. No raw material linkage / assurance from the State Government shall be provided.
3. The project should not be located on mineral bearing area or command area of any irrigation project.
4. The company should make adequate provisions for parking of the transport vehicles required for their operations to ensure that project related vehicles are not parked within 500 meters from any National Highway/State Highway.
5. The project shall not be located within 500 meters from the centre of the road on both side of any NH or SH or from the bank of any river / reservoir.
6. The company will submit detailed land use plan. Allotment of land to the project is subject to assessment by IPICOL (considering the bench mark report where ever available) or as required by the company, whichever is lower. The company will follow the prescribed procedure of IDCO for final allotment.
7. The allotment of water quantity is subject to assessment by IPICOL (considering the bench mark report where ever available) or as required by the company, whichever is lower and as per norms of DoWR/IDCO.
8. The company shall strictly comply with the State employment norms, R & R Policy and other related policies of Govt. as applicable from time to time.
9. The company has to obtain all statutory clearances as may be required & abide by the conditions/stipulations made there under.
10. The company must take up CSR activities in the locality in consultation with the District Collector. Besides, the company shall comply with the extant rules and policy issued by Govt. from time to time.
11. The promoter(s) of the company shall not divest/dilute either directly or indirectly their shareholding to less than 51% until 3 (three) years from the date of commencement of commercial operation without the prior approval of the Govt.
12. Use of fly ash bricks is mandatory for all the construction that the company may take up.
13. Rain water harvesting and ground water recharge is mandatory for industrial establishment.
14. The company will submit its action plan for implementation of the proposed project to IPICOL within 90 days of the communication of approval of State Level Single Window Clearance Authority (SLSWCA).

15. Company to generate 5% of its power requirement through renewable energy sources.
16. The applicant company will not transfer the project to another company until the project goes into commercial production, unless:
 - i. the transfer of the project takes place under a court order or statutory pronouncement
 - ii. When the change of name of the company is taken up under the provisions of Section 13 of the Companies Act, 2013.

Agenda Item No.5:

Proposal of M/s Highland Agro for setting up a shrimp processing and cold chain unit at Gadabhanga, Khantapada, Dist- Balasore, with an investment of Rs. 53.08 Crores.

After detailed discussion, SLSWCA in principle approved the proposal of the company, subject to the following terms and conditions:

1. The company will clear arrear dues, if any, of any Government Department before allotment of land for the project
2. No raw material linkage / assurances from the State Govt. for the project shall be provided
3. The project should not be located on mineral bearing area or command area of any irrigation project.
4. The company will submit detailed land use plan. Allotment of land to the project is subject to assessment by IPICOL (considering the bench mark report where ever available) or as required by the company, whichever is lower. The company will follow the prescribed procedure of IDCO for final allotment.
5. The allocation of water quantity is subject to assessment by IPICOL (considering the bench mark report where ever available) or as required by the company, whichever is lower and as per norms of DoWR/IDCO.
6. The company shall strictly comply with the State employment norms, R&R Policy and other related policies of Govt, as applicable from time to time.
7. The company has to obtain all statutory clearances as may be required & abide by the conditions/ stipulations made there under.
