## District in Focus- Koraput

Koraput is the 3<sup>rd</sup> largest district in the State in terms of size, with a geographical area of 8807 sq.km. Koraput has well-connected road and rail network with key regions within the State and major cities of India. NH 26 passes through the town which connects the district with Raipur and Visakhapatnam.

Koraput is rich in minerals such as Bauxite, Limestone, Granite, Quartz, Dolomite, Clay and Mica. The district has major industries including Alumina, Paper and Cement. The district is home to several large industries such as NALCO, Hindustan Aeronautics Limited, Ballarpur Paper Mill, Toshali Cement etc.

Koraput has five industrial estates namely Muniguda, Kaki-Sunabeda, Chikapar, Sunabeda and Jeypore. The district has around 31,000 acres of land bank identified for industrial purpose.

Koraput also has several tourist attractions such as Gupteswar Temple, Shabara Shrikshetra, Kolab Dam and Duduma waterfall.

## Success Story

Established in 1989, Indo Nissin Foods Limited is a noodle manufacturing company. Indo Nissin's facility in Khordha district is one of the most modern and technologically advanced factories for production of instant noodles in India.

As per the company officials, "the main reasons of investing in Odisha are good infrastructure, skilled workmen, availability of land, water and electricity in abundance, and above all a helpful government. moreover, even the raw materials and packaging materials are available at a competitive price in and around Odisha".

## Testimonial

We invested in Odisha in 2013 with our greenfield instant noodle plant. We have now decided to increase our footprint and investment in the State. This is testimony to the quality of resources, manpower and facilitation support being provided by the State Government to industries.
