#### Introduction

Industries Department of the Govt. of Odisha has developed the online *Single Window Portal* in order to facilitate 'Ease of Doing Business' and foster a conducive business environment in the State. It acts as a single window for clearances from 15 state departments, leveraging technology to bring in transparency, improve efficiency and extend time-bound clearances to the investors.

The *Single Window Portal* allows seamless integration with portals of different government departments thereby eliminating the need to fill forms multiple times, ensuring time-bound clearance, as well as ensuring single login credential for all applications. It acts as a one-stop solution for information, registration, approvals, e-payment and application tracking for clearances/approvals. It also provides updated information relating to relevant rules, regulations, orders and policy initiatives and schemes for guiding the investors. In addition to this, the portal sends alerts, via email and SMS, to applicants about the progress on their submitted applications.

Other key features are:

- Information regarding status of approved proposals, proposed investments and pending applications.
- An online grievance redressal and feedback mechanism, to timely address issues faced by investors.
- Existing online systems such as Land Bank (GO iPLUS), Central Inspection Framework and Automated Post Allotment Application (APAA), and the CSR portal are integrated into the *Single Window Portal*, making it a one-stop-shop for a plethora of services.

This document is intended to serve as a User Manual for grant of "Application for Enrollment/ Renewal as a Boiler repairer/ Erector/ Manufacturer" service from the Directorate of Factories & Boilers, Labour & ESI Department, Govt. of Odisha.

#### General Instructions

Based on the geographical location of the factory and the no. of employees proposed to be employed, and the application will be routed to the designated Divisional Deputy Director/ Assistant Director of Factories & Boilers for assessment and conducting field verification. Upon approval, certificate for recognition as Boiler Manufacturer/ Erector/ Repairer will be issued to the applicant that will be valid throughout the State of Odisha.

Prior to applying to this service, if the applicant has applied for PEAL, the first section of the Application for Enrollment/ Renewal as a Boiler repairer/ Erector/ Manufacturer will get auto-populated from the PEAL form. Applicant who did not fill the PEAL form, will have to fill all the fields.

Fields marked with '\*' are mandatory and should be filled in before submitting the form on the single window portal. Leaving fields blank in the Form is not allowed. In case applicants wish not to enter data in a field, they can put "NA" if it is a text/description field or a "o", if it is a numeric field. In case of errors, the form will show an error message. The applicant may correct the data and save the form again.

Some of the fields can accept multiple values. If the applicant wishes to furnish more than one item, he may use the "+" button to add more rows. Similarly, if he wishes to remove a row, he may use "x" button.

Applicants can attach documents in digital format as documentary evidences which the department will use for verification. Clicking on the choose button will let them select the document to be uploaded. Before submitting the document, they needs to ensure that all the information furnished by them is satisfactory and correct to the best of their knowledge and understanding. After checking that the information furnished in all the fields are in order, they can submit the application by clicking on the 'Submit' button.

After the form is successfully submitted, applicants can pay the required fees either online or offline. The fees required to be paid is as follows:

Service	Fees required to be paid
Grant of Boiler Manufacturer/Erector/Repairer Certificate	20,000/-
Renewal of Boiler Manufacturer/Erector Certificate	5,000/-
Renewal of Boiler Repairer Certificate	
1. Special Type	7,500/-
2. Classes 1, 2 or 3	5,000/-

If they wish to pay offline, they may choose the 'Over the Counter' option on the Cyber Treasury payment gateway. A challan with the account details of the department will then be generated. The applicant will take the hard copy of the challan to the nearest branch of the bank selected and deposit the amount either by Cash, or by means of Demand Draft. Once the fee is processed by the bank, the bank will send a transaction ID via SMS, which then will have to be entered on the Cyber Treasury portal to complete the application process.

Upon payment the applicant will receive an SMS & Email notification with the application number from the single window portal.

#### Checklist of Documents

The applicant will need to attach the following documents with the application:

- 1. Documents in respect of additional facilities
- 2. Experience Certificate and Declaration for all Supervisors, Operators/Fitters and Welders.
- 3. Scanned copy of Photo of Applicant
- 4. Scanned copy of Signature of Applicant

#### Timeline

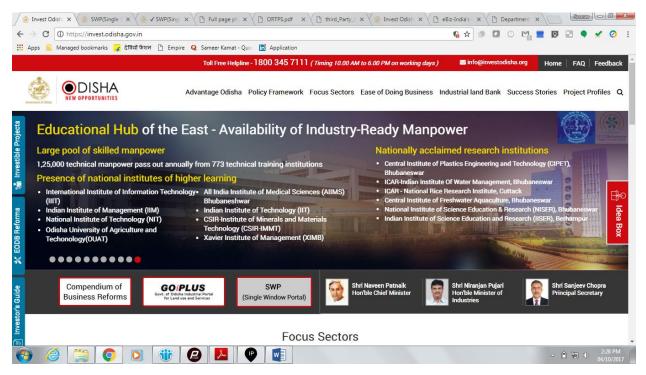

Application for Enrollment as a Boiler repairer/ Erector/ Manufacturer is provided within 15 working days from the date of submission of application. Renewal as Boiler repairer/ Erector/ Manufacturer is provided within 7 days. The department can however raise queries on the application within 7 working days of receipt of application.
