Industry Leaders Speak

N. Chandrasekaran, Chairman, Tata Group
The Tata Group of companies, especially Tata Steel, has had a relationship and contributed to the State of Odisha’s growth over the years. We have invested Rs. 25,000 crore to build the Kalinganagar Steel Plant and it reiterates our confidence in the economic development of the State of Odisha. We take this opportunity to wish the Government of Odisha all the very best in their endeavours to attract more investments in Odisha and also congratulate the State on the recent Make in Odisha initiative.

Mukesh Ambani, Chairman & Managing Director, Reliance Industries
Reliance is privileged to be one of the largest investor in the State of Odisha. We are committed to a digital Odisha where each of its 4.5 crore citizens has the best quality digital connectivity that will improve life of every citizen in the state of Odisha. For Reliance, Odisha is amongst the top investment destination in the country and I am confident that for all investors it will remain amongst the top investment destination in India. My best wishes for the State to continue its momentum of growth and achieve further success.

Kumar Mangalam Birla, Chairman, Aditya Birla Group
For Aditya Birla Group, Odisha has been one of our most preferred investment destinations. Our experience has been extremely rewarding and eight of our group businesses have a significant presence here in the State. Chief Minister Shri Naveen Patnaik’s exceptional leadership, supported by an admirable team has been the singular factor in the rapid progress of Odisha. I look forward to the State ascending to the pole position in attracting even greater investment.

Yogesh Chander Deveshwar, Chairman, ITC Limited
Odisha is a land of opportunity for investors. It has already demonstrated 10 years of high rates of growth of 11.5%. We have presence in two major sectors in Odisha, one is in food processing and second is in the travel and tourism industry by building a hotel. The fact that all of our projects, in a short span of time, are in final stages of implementation is testimony to the enabling business environment and facilitation that the State provides.
