Any other co-opted members (maximum two) on recommendation of the Chairman of the Committee.

The DLC will scrutinize the application and may reject it on valid grounds, irrespective of the amount of investment made in plant and machinery, if the application is found to be ineligible. But, if the DLC finds the application to be eligible, it will approve the eligible amount of subsidy on cost of patent registration in India or abroad, irrespective of the amount of investment made in plant and machinery.

**5. Eligibility: -**

- 5.1 New and existing enterprises undertaking Expansion/ Modernization/ Diversification (E/M/D) with investment in Plant & Machinery up to INR 50 Crores will be provided assistance for Patent and Intellectual Property Right registration of 100% of the registration cost up to a maximum limit of INR 5 lakh. Enterprises listed at Annexure - II of Odisha MSME Development Policy-2022 shall not be eligible.
- 5.2 Migrated Industrial Unit shall be treated as new Industrial Unit under Odisha MSME Development policy-2022.
- 5.3 Date of first Fixed Capital Investment (FCI) for new enterprises (except migrated industrial units) should be on or after the effective date of this policy. In case of enterprises undertaking EMD, date of first FCI made towards EMD should be on or after the effective date of this policy.
- 5.4 New enterprises shall commence commercial production within three years from the date of first FCI. Existing enterprises undertaking EMD shall commence commercial production of the EMD unit within three years from date of first FCI (made towards EMD).
- 5.5 Incentive shall not be sanctioned and disbursed if, the enterprise is found closed / has gone out of production as on the date of sanction or disbursement. In such case, sanction and/or disbursement, as the case may be, shall be re-considered if, commercial production resumes satisfactorily within two years from the date of closure of the enterprise, if, applicable.

DL  
26/09

- 5.6 Units which are classified as NPA at the time of making the application and/or at any time up to the date of disbursement of this benefit will not be eligible to avail such incentive.
- 5.7 Enterprises which have availed loan shall be required to get their projects appraised and/or approved by the Financial Institutions / Bank(s). Enterprises set up without financial assistance from Financial Institutions / Bank(s) will be required to submit DPR duly certified by a chartered accountant.
- 5.8 Eligible costs of assistance shall include -
  - a) Cost of Application Form, processing charges and all other costs / charges / fees known by whatever name, paid to the competent registering authority.
  - b) Reasonable expenditure incurred on documentation for the purpose of registration of patent / IPR including reasonable fees paid to the consultants as consultancy fees and cost of work of preparation, reprography of art work, industrial design etc.
- 5.9 The total amount of assistance under these rules shall be limited to Rs.5 lakh for a unit. If, any unit secures registration of more than one patent or their intellectual property rights, the assistance shall be available subject to an overall cumulative limit of Rs.5 lakh.
- 5.10 The claim for subsidy on the cost of patent registration in India or abroad shall not include / cover cost of change over assets like acquisition of Plant & Machinery/equipment, new installations, re-modeling, up gradation of existing, re-placement of obsolete machineries etc.
- 5.11 If, the industrial unit has availed similar incentives under any scheme of State Govt. or the Central Government (GoI) or Government Agencies or any financial institutions, it shall be eligible for the differential amount of benefit only.

**6. Time frame for filing application: -**

- 6.1 Eligible enterprises shall file their claim in AIM Portal complete in all respect, within two years from the date of obtaining Patent & Intellectual Property Right Registration or from the date of notification of this Operational Guidelines, whichever is later.
- 6.2 Application in the prescribed form received after the due date/ incomplete in any respect shall be liable to be summarily rejected. However, Govt. may consider condonation of delay for filing of application under the provisions of OSMEDP-2022.
- 6.3 The application with requisite documents shall be self-attested by Proprietor/Managing Partner/Managing Director/ Authorized Signatory.

**7. Procedure: -**

- 7.1 Eligible enterprises shall submit application in the prescribed form appended to this operational guideline at Annexure -'A' along with copies of all relevant documents as mentioned in the Checklist at Annexure -'B'. Application shall be submitted to the General Manager, District Industries Center concerned in AIM Portal ([www.odishamsme.nic.in](http://www.odishamsme.nic.in)).
- 7.2 General Manager, DIC shall verify the application within 7 working days and acknowledge the same in the Portal if, it is found in order (Annexure- 'C'). If not, he/she will either reject the application by citing grounds of rejection in the Portal (as per format in Annexure-'F') or ask the applicant unit to make good the

- deficiencies in the application by reverting the application to the applicant unit in the Portal with details of the deficiencies found in the application.
- 7.3 If, the application is in order, within 15 working days from the date of online application, the General Manager, DIC shall inspect the unit to ascertain its working status and to check veracity of facts vis-à-vis submitted documents to assess eligibility of the unit and furnish report in Annexure-'D'. If, the unit is found not eligible for subsidy on cost of patent registration in India or abroad, General Manager, DIC will reject the application in the Portal citing detailed grounds of ineligibility (as per format in Annexure-'F'). However, if on inspection of the unit, the General Manager, DIC wants some clarification or some more information, he/she shall ask the applicant unit, in Offline mode, to furnish necessary clarification /information and shall keep the application processing pending in the Portal till then.
- 7.4 After scrutiny, examination and determination of eligibility, present working status etc., General Manager, DIC shall then place the application, along with physical inspection report and agenda memorandum in prescribed format (as at Annexure-'D(1)'), before District Level Committee (DLC) for appropriate decision within 15 working days from the date of physical inspection of the unit. DLC will scrutinize the application and may reject it, irrespective of the amount of investment made in plant and machinery, if, the application is found to be ineligible. If, the DLC finds the application to be eligible, it will approve the eligible amount of subsidy on cost of patent registration in India or abroad, irrespective of the amount of investment made in plant and machinery.
- 7.5 The fact of approval or rejection as the case may be, shall be mentioned in the Portal itself, within 7 working days of DLC meeting for information of all concerned including the applicant unit. DLC may also defer consideration of a proposal for want of further information. In that case, the application shall be shown pending in the Portal till a final decision is taken by DLC.
- 8. Sanction & Rejection: -**
- 8.1 Upon approval by DLC, General Manager, DIC shall issue sanction letter in favour of the applicant unit in the Portal in the prescribed format at Annexure-'E', within 7 working days of release of minutes of the DLC meeting.
- 8.2 In case of rejection, General Manager, DIC shall upload the rejection letter, clearly mentioning the grounds of rejection, on the AIM portal (in Annexure-'F') within 7 working days from the of release of minutes of the DLC meeting.
- 9. Disbursement:**
- 9.1 General Manager, DIC shall verify the working status of the unit and report in the format at Annexure-'D' within 3 working days from the date of issue of sanction order and update the same in the Portal.
- 9.2 Disbursement shall be made by the General Manager, DIC directly to the Bank Account Number of the applicant unit given in the online application form within 3 working days, if the unit is found operating at the given location.
- 9.3 Disbursement shall, however, be held up if the unit is found to be nonoperational at the given location and will be made only on satisfactory resumption of operation. However, if, operation does not resume within two years from the date of sanction order, the sanction order shall be cancelled.

26/09

## 10. Recovery:

In the following events or circumstances, subsidy on the cost of patent registration in India or abroad received by an enterprise shall be recovered, along with penal interest @18% per annum, under the provisions of OPDR Act, unless refunded within a period of one month from the date of an order issued to this effect by the General Manager, DIC or Director of Industries, Odisha.

- 10.1 If subsidy on the cost of patent registration in India or abroad received is availed by misrepresentation of facts, fraud or by furnishing false and misleading information or by suppression of facts.
- 10.2 If subsidy on the cost of patent registration in India or abroad received is found to be made erroneously or found to be in excess of the amount actually admissible. However, if, the industrial unit is found to be not responsible for such erroneous or excess payment, then no penal interest shall be charged on him/her.
- 10.3 Where the subsidy on the cost of patent registration in India or abroad received becomes recoverable in terms of the stipulation contained in the Undertaking in Annexure A or the beneficiary unit violates any other condition of Undertaking/ Guidelines or Government Rules.
- 10.4 If the enterprise shifts its location to outside the state or removes the Plants and Machineries/Equipment on which subsidy on the cost of patent registration in India or abroad received, within 10 years from the date of receipt of subsidy on the cost of patent registration in India or abroad, without prior approval of MS&ME Department

## 11. Miscellaneous

- 11.1 Application for condonation of delay in implementation of projects due to force majeure (like natural calamities) and reasons beyond the control of the industrial unit only shall be dealt on case-to-case basis. The General Manager, DIC shall examine such case(s) and forward the application made by the entrepreneur with justification to the Director of Industries, Odisha. The Director of Industries, Odisha shall examine and recommend such case(s) to the MS&ME Department for placement of the same before the Empowered Committee constituted under chairmanship of the Secretary, MS&ME Department for consideration of such cases.
- 11.2 Government may inspect the enterprise any time, if required, to ascertain whether the said benefit is availed by fraudulent means or not.
- 11.3 Any change in facts or circumstances affecting the eligibility of the unit shall be intimated immediately to the DIC / Directorate of Industries, Odisha by the unit.
- 11.4 Entrepreneurs shall also immediately intimate to the concerned DICs and Director of Industries, Odisha if, the Patent and Intellectual Property Right is gifted, inherited, assigned, sold or licensed during the period of right with due approval of the Registering Authority concerned.
- 11.5 Where any doubt arises regarding implementation of these rules, the same shall be referred to the MS&ME Department whose decision shall be final and binding on all concerned.
